Awards assembly set for parents

EVERYONE'S PARENTS ARE WELCOME . . . From left: John Domonkos, John Silvis, and Bruce White wonder if they have found a good place to put the large 'Welcome Parents' sign. Parents are invited to participate in all of the activities planned for the coming weekend.

Parents and friends of students will have a varied selection of activities to attend on Parents' Weekend to be held Saturday and Sunday.

The Awards Program is scheduled for Saturday afternoon, from 1:45 to 2:45 in Somsen Auditorium.

ROBERT Grimm, freshman class president, will serve as the master of ceremonies, for the assembly. Programs will be distributed listing the students' names and awards they receive. All students and their parents are encouraged to attend this special event during the Parents' Weekend.

Awards will be presented for the following: Cheerleaders, Warriorettes, Who's Who citations, Wenonah Players, Winona State Speech Association, National Collegiate Players, Speech Round Table Awards, **Winonan, Wenonah**, Kappa Pi, Kappa Delta Pi, and Student Senate.

The Purple Key Honor award will be given to Jonelle Millam, Douglas Rosenow, Mavis Pinke, Carmen Sens, Catherine Lindsal, Lloyd Smrkovski, Marvin Papenfuss, Diane Ebert, Bonnis Johnson, Arlys Berning, John Hess, Orrin Hager, Daniel Cavanaugh, James Ayllen, Jean Cieminski, Mary Alfonso, Elizabeth Walters,

and Elizabeth Gunhus.

The Variety Show will end Saturday's long schedule of activities. Sponsored by the Collegiate Club with Walter Maeser as president, it will be held in Somsen at 8 p.m. The same show was presented for Sig Tau's fraternity Spring Carnival, and will again feature student talent: singing groups, skits, solos, dance numbers, comedians and "The Crowd." Lou Molander will emcee the show.

For additional information concerning Parents' Weekend see last week's issue of the **Winonan** and the Parents' Weekend program.

(Mrs. Paul E. Peltke informed Mr. Kane that Roy Berger of Winona Senior High School will be awarded a Mabel Marvin Scholarship on Award Day at the high school. Roy will be attending Winona State next fall.)

Tragic accident critically injures State student

Gene Bauer, a Winona State College junior from Goodview, was seriously injured in a three-way car accident near Eyota on Highway 14 Sunday afternoon.

Gene received head injuries and, as of Tuesday, was reported in critical condition and still unconscious in St. Marys Hospital in Rochester.

Mr. and Mrs. Gene Bauer Shortall of Le Sueur were killed, and their daughter, Ann Clair, a student at The College of St. Teresa and the driver of the second auto, was also seriously injured.

THE DRIVER of the third car, Mr. Biesanz, received cuts and bruises.

Gene Bauer, 20, and a transfer from Bethel College in St. Paul, has been active in Choir, Madrigals and IVCF at Winona State College. As a chemistry major, he worked as a lab assistant at Pasteur.

Kappa Delta Pi holds ceremony for new officers

Judith Skarp, Virginia, was elected president of the Gamma Tau Chapter of Kappa Delta Pi, a national honor society in education, May 4, for the school year 1966-67.

Other officers elected are: vice president, Darlene Peters, Plainview; secretary, Barbara Schmauss, Lake City; treasurer, Sharon Drwall, St. Paul; historian-recorder, Gloria Welch, Stewartville. Mrs. Lyman Judson is the chapter adviser.

THESE OFFICERS were installed at a banquet and ceremony that was held on May 17 at the Winona Country Club.

night meeting.

The decision was made because election procedures were not followed as prescribed in the Student Senate constitution, because candidate's name was misspelled, and because of other difficulties.

THE NEW election will be held June 2.

State Building Commission to hear of needs Friday

The Legislative Building Commission will meet at Winona State Friday morning to hear of building needs so that these needs may be later studied by the Commission and presented to the 1967 Legislature, according to Dr. Nels Minne, college president.

When asked what the request would include, Dr. Minne stated, "We are planning to request funds for continual campus expansion, which means purchase of additional property for future building sites."

"THIS INCLUDES the area bordered by Sanborn, Main, and Huff Streets and the railroad tracks to the south.

"The campus development plan which we started here in 1955 was based upon the concept of a compact campus clustered around an academic area close to the library with resident area closely tied to the food service and union," Dr. Minne explained.

"There will be ease of going from one building to the next. We have been trying to maintain a schedule where ten minutes will suffice for a student to go from any one area of the campus to another."

"STUDENTS ALSO have easy access to the shopping, business, and part-time employment areas in the community," he further commented.

"Campus growth from this point will require that many of our future buildings will have to be multi-storied in order to maintain this compactness."

The first multi-storied building is the one now planned for the 14-story high rise dormitory.

"IN PLANNING ahead, prediction of needs in dependent upon two factors, enrollment and the offerings an institution makes available. Winona State is currently working on new expanded academic programs," President Minne further stated.

"Projected enrollment is estimated to be near 3,000 next fall, 3,400 during fall of 1967, and 4,000 in 1970 if present trends continue."

"The tradition of the state colleges has been to meet the expanding educational demands and the needs of the society around us," he continued.

"Now there is developing a need for a sixth year specialist program for administrators and school service personnel."

"THIS EXPANSION in programs has been occurring together with maintenance of standards as evident by regional accreditation and by accreditation by the National Council on Accreditation of Teacher Education."

When asked about present Winona building progress Dr. Minne commented, "Planning for the music-speech facility is going ahead well and the construction on the library is proceeding according to schedule. We expect in June or July to be cutting in to make the connection to the old building. The library is scheduled for completion early in 1967."

"This will be an integrated library facility with old and new parts functionally related. It will also have a complete system of climate control to assure year around comfort."

Five state college faculties request Winona investigation

The State College Board will consider a request of the faculties of five state colleges to investigate allegations by Charles Mourin, Board member, made concerning the faculty here.

The Inter-Faculty Policies Committee passed a resolution at a meeting in St. Paul Monday petitioning:

"THE STATE College Board to conduct, together with the Inter-Faculty Policies Committee, a full investigation of allegations made concerning the Winona State College faculty, with a report of the investigation to be made public."

THE ORIGINAL request for a

"full-scale investigation," was made by the Winona State College Faculty association last week. Subsequently, according to the resolution passed yesterday, the executive boards of the faculty associations at each of the four other state colleges have supported this request.

Who spends our \$\$?

The student activity fund is the fund to which each student contributes ten dollars each quarter at registration.

This fund is spent for various student activities which include the social program, athletic program, publications, and various other student functions.

THE FINANCE committee divides this fund among the various groups. The committee is composed of four students (the treasurer of the Student Senate and three on his standing committee) and four faculty members and a chairman appointed by the president. The chairman of this committee is a faculty member and votes only if there is a tie.

The students are the ones who contribute the money, the students activities are the ones that the money is allocated for, and a committee with the majority of its members being faculty allocates the money. Is this right? It would seem that the students should have control of where their money is being spent by having at least a majority of the members on the finance committee.

At the tri-State convention that a number of the student senate members attended it was brought up that at a number of schools the students have complete control of the money that is spent on student activities.

AT WESLEYAN State College in South Dakota, and at Dickenson State College in North Dakota, schools comparative to WSC, the students not only have control of the allocation of the funds but dictate the amount to be collected by each student.

These colleges make use of the experience of the business managers and advisers by the only members of the financing committees with votes are students.

A change would seem in order so that the student money, which goes for student activities, would be allocated by the students.

Welcome all parents

This weekend parents from Minnesota and the surrounding states will take time away from their regular activities, and come to Winona for Parents' Weekend.

Although it is good and right for young adults to become independent from their families, it is also good for them to have parents who are interested in seeing their college, in meeting their friends, grades and courses, and just wanting to enjoy a weekend with their sons and daughters.

PARENTS' WEEKEND is an ideal time for achieving these ends. With the stereotyped image of the so-called "too busy parent" today, it is gratifying to recall the large number of parents in Winona last Parents' Weekend.

Let's make the most of this weekend, too.

Book review

WSC lecturer wins Pulitzer

by Dulcie Berkman

Arthur M. Schlesinger, Jr., who spoke at WSC Feb. 12, was recently awarded the Pulitzer Prize for his book **A THOUSAND DAYS.**

The book is an account of President Kennedy's days in the White House. Schlesinger points out that since it is "a personal memoir by one who served in the White House", it can offer at best "only a partial view."

YET SCHLESINGER's position

as Special Assistant to the President brought him close to the informal side of Kennedy and the White House staff, enabling him to give us an inside look at them.

Schlesinger pursues Kennedy as a politician; his nomination, campaign, victory and inauguration; and his work with the Alliance for Progress, the Bay of Pigs, Cuba, Laos, the steel crisis and the early part of the racial revolution.

Letters show concern for Minne issue and elections

Letter to the Editor:

Jim Evenson is to be commended for his excellent editorial entitled "Our responsibility," which appeared in the May 13 issue of *The Winonan*. Jim confronts the Winona State community with a challenge to appraise itself as an institution of higher learning.

To the degree the three groups—students, faculty and administration—join in a dialogue "to see that each is doing its job" will this institution's academic growth not be questioned by those who have the responsibility for the state college system.

SINCE THE students are the "why" behind an institution such as Winona State, it is they alone in the last analysis who must appraise the curriculum, counseling and other areas that make up the essence of an institution of higher learning.

Once the students open the discussion as to the problems of studying and learning, then the faculty and administration must respond to the problems and questions raised by the students.

This dialogue involving students, faculty and administration is the key to unlocking whatever doubts that might exist among students about the acceptability of Winona State as an institution equipped for the primary task of personal development as a TOTAL human being and the secondary responsibility of providing one with a specialized knowledge in an area that will enable the graduate to fill a vocational job slot in our society.

This writer finds that in this dialogue Winona State can unchain itself from the burden of any outside influence and dissent from within the community of Winona State.

Sincerely,
Jim Eddy

Dear Editor,

The recent indiscretion against our president, Dr. Nels Minne, and our academic dean, Dr. M. R. Raymond has not gone unnoticed by the students of Winona State College, and we hope not our parents.

This indiscretion is not only affecting President Minne and Dean Raymond but it is also a mark against the end product of their administration, our education.

WHAT KIND of education have we been receiving? The students feel they have been receiving a high standard of education and are defending it through the recent petition. But we feel another qualified group can also help answer this question.

These are the people who are closest to us and see the direct end results of our education. These people are the parents of

Letter to the Editor:

Contrary to public knowledge last Friday, May 13, was the election for junior class officer. This election was unpublished and the ballots were illegal to at least one marked misspelling of a candidate's name.

Why on a campus of only 3000 was there no prior knowledge of the entrant date for candidacy, campaigning by the individual candidates, and proper notice of election date, time, and place?

1. THE SIGN over the voting area did not state for what or for whom the election was being held.

2. The ballot was objectionable because one candidate's name was incorrectly spelled to the point of nonrecognition.

3. Voter identification measures were substandard. The Student Senate requires ID cards to be presented at all school activities to identify the student.

4. CANDIDATE'S lack of initiative in publicizing their qualifications and interest in obtaining an office.

5. The omission of any notice of the election in the *Winonan*.

It has often been stated that there is poor student participation at elections. Voting is essentially a democratic process and a duty for all to exercise this privilege.

However for the reasons stated above, especially those of no prior knowledge of the election and the illegal ballot, we feel this election should be declared invalid and a new election held according to the new student Senate rules.

Lynn Schumann,
Carol Ollhoff,
Judy Swigart

Dear Editor:

The rules for the junior class election seemed obscure.

Were the first quarter juniors eligible to vote last Friday? Their names were not on the roster. Furthermore, were they even eligible to run for an office? If so, according to the roster, they were not even able to vote for themselves.

DO YOU SEE ANY inconsistencies?

Sincerely,
J. R. Thompson

Parents will be visiting our college this weekend, May 21 and May 22, and they will be attending the Winona State College Parents' Association meeting at which time we ask all parents of Winona State College students to take the opportunity to answer our question in the form of a petition to be also sent to the State College Board.

EDITOR'S NOTE: The Student Senate minutes printed in the WINONAN are always nine days late. The Senate meetings take place too late in the week to be included in that week's issue.

SS minutes

Senate members attend convention

A regular meeting of the Student Senate was called to order by the president, Louie Kanavati, on May 10, 1966, at 6:45 p.m.

Louie Kanavati reminded senators going on the Tri-State Convention that they would leave on Thursday at 3:00 a.m.

JIM EVENSON distributed copies for Election Procedure By-Law and moved: That SS accept the recommended by-law. Patsy Fishbach seconded. There was discussion. Roger Wistrucill moved: that the proposed by-law be tabled until the committee meets. Randy Sinke seconded. Motion defeated. Voting on the by-law will be next week.

Roger Wistrucill reported that Sophomore Class Elections will be held next Friday. He has posted signs about the election.

John Ross re-read the amendment concerning club representatives; voting will be next week.

LOUIE KANAVATI asked that all suggestions for next year's SS advisor be turned in before the next executive board meeting.

Jim Kasten, Athletic Senator, reported that his duties include helping to select cheerleaders, submitting a budget for intramurals, winter co-rec, meeting with faculty advisors, and representing W Club, Dolphins, WRA, and WPE.

Alice Peterson, Senate Liason, reported that her duties include representing students in the library and bookstore and being responsible for pep rallies, etc. She has also worked with the Orientation Team on making a schedule for freshman bookstore hours and library tours.

RANDY SINKE reported that the Homecoming Committee discussed qualifications for Homecoming Queen candidates.

Respectfully submitted,
Susan Frisch, Secretary

Japanese student speaks at honor society initiation

Thirteen students were formally initiated into the Gamma Tau Chapter of Kappa Delta Pi recently at Kryzsko Commons.

The students are: Marilyn Bublitz, Winona; Sharon Drwall, St. Paul; Earlene Finn; Dexter; Susan Frisch, Minneapolis; Kathryn Johnson, Plainview; Susan Loeffler, Le Center; Jonelle Millam, Winona; Darlene Peters, Plainview; Eugene Plein, Winona; Barbara Schmauss, Lake City; Judith Skarp, Virginia, Gloria Welch, Stewartville; Edwina Wolfe, Winona.

AT THE BANQUET which was held after the initiation for the new initiates, alumnae, members and guests, Miss Hiroko Kawakatsu spoke. She is in her second year at Winona State and is from Kamakura, Japan.

Each student wishing to enter a college or university must take an examination. However, only 20% of those taking the exam are allowed to enter. Once you have passed this exam and are in college, there is no homework; so it is easy to graduate. Not like it is here in the U.S. said Miss Kawakatsu.

Three clubs win Frolic awards

Phi Delta Rho, Phi Sigma Epsilon, and Circle K all won awards at Lake Park last Saturday during the Spring Picnic Frolic.

Circle K won the first two contests of the night, the canoe paddle and the paddle boat race; Phi Delta Rho took first in the wheelbarrow race, tug-o-war, and pie eating contest. Phi Sig won the three legged race and egg toss.

WAS THIS THE SWING? The Warriors' Jim Stout follows the flight of his ball. In competition with Eau Claire State, at Eau Claire, he scored a hole in one. This weekend the Warriors will host the NIC golf tourney at St. Paul's Keller Course. Winona is the defending champ.

Mankato bows to Warriors

State's baseball team, after seeing their on the road losing streak extended to eight games, rebounded to dump Stevens Point in the second game of a double header at Stevens Point.

In the opener, Stevens Point lashed out for four runs in the fifth inning, overcoming a three run deficit, to dump The Warriors 7-6. Jack Benedict took the loss.

IN THE NIGHTCAP Winona scored five runs, but they only needed the first one, as Rog Roepke hurled a sterling one hit game, to put the baseballers back on the winning track.

Next on the list, Mankato's Indians dropped two of three to the Warriors. Roepke hurled another shutout in the first game, winning it on Dennis Morgan's solo hom-

er in the sixth inning.

Roepke came in to win the second game in relief for Winona. After they spotted Mankato a 4-0 lead Winona scrambled back, led by the baserunning heroics of Davis Usgaard, to triumph 5-4.

IN THE NIGHTCAP, J. D. Barrette gave up two gopher balls and that was the story, as the Warriors fell, 3-1.

Next on tap for the Warriors is a three game series this weekend at Bemidji.

WRA opens softball action

The Women's Recreation Association's intramural softball competition continued action last Wednesday evening.

Because of rainy weather, all

Wade, Stone set track records

Winona State's thinclads broke two records and tied a third in the Macalester Invitational track meet held last week.

PETE WADE, who had previously tied the old school mark of 9.9 seconds in the 100 yard dash, set a new standard of 9.8 seconds, in the preliminary runnings.

BOB STONE garnered the other record as he bounded through the high hurdles in 15.6 seconds, shaving the old record by a tenth of a second.

The 44 yard relay team tied the school record with a time of 44.4 seconds. The team is composed of Bill Anderson, Lee Ruen, Ron Stevenson, and Wade.

Wade scored the only team point for the Warriors when he placed fifth, due to a bad start, in the 100 yard dash. No team results were kept.

Sig Tau will award trophy

Sigma Tau Gamma fraternity will present the James A. McCarthy Memorial Sportsmanship Award May 21.

The award will be presented to a college man participating in intramural softball who can meet the qualities of sportsmanship, character, desire, attitude and ability.

THE RECIPIENT will be selected by the league umpires and captains prior to May 21, but the winner will not be announced until that time. The trophy is on display in the student union.

State to host NIC track meet

Winona State College will host the Northern Intercollegiate Conference track meet this Saturday, at Jefferson Field.

Preliminaries will be run in the morning and the afternoon, with the finals in the events scheduled under the lights.

POWERFUL MANKATO defending champion, is favored to repeat, but still competition is expected from St. Cloud and

Bemidji. Moorhead, Michigan Tech, and Winona will round out the field.

Last year six league records were broken, and Coach Keister feels that more will fall this year. A runner to watch will be St. Cloud's Van Nelson, who recently broke the three mile record at the Macalester Relays. He breezed through the three miles in 13:37.0, shaving more than a minute off the old mark.

New athletic director named

Dwight H. Marston, physical education director at Hastings College, Hastings, Neb., has been named new athletic director at Winona State College.

Also hired were Ted Kearly, Cheboygan, Mich., and Mike Stevenson, St. Olaf College.

KEARLY, PRESENTLY with the Cheboygan High School system will be assistant track and football coach, while Stevenson, will aid in basketball and become
